Sanborn Gratiot Memorial Home recently received a very generous matching fund grant from local philanthropist Justin Neil, who serves on the Sanborn Gratiot Memorial Home Fund Development Committee. Justin has offered \$1,500 in matching funds to help construct a gazebo in the courtyard of Sanborn Gratiot Memorial Home so that the residents can further enjoy their time outdoors. The total cost of constructing the gazebo is \$5,000. The Community Foundation also has provided us a grant for \$3,000 to be used towards the completion of the court yard which is currently not used for any purpose. To donate or learn more about the fundraiser and the entire project, please visit the [Sanborn Gratiot Memorial Home GoFundMe page.](#)

The staff and residents at Sanborn celebrated Opening Day with a picnic lunch with all the trimmings. Thanks to Betty Guigar, Bill Johnson and staff for serving up a delicious lunch. Special thanks to Cheyenne, Trina and resident Coco for all the decorations. Lee Emig provided the entertainment and a wonderful time was had by all!

The staff and residents of SGMH would like to express their heartfelt appreciation to The Community Foundation of St. Clair County. Sanborn was provided a grant of \$3,000 to replace the existing range which had been in use for many years. Thank you, also, to the staff at Watson Plumbing and Heating for the installation of the new range.

Thanks to the following for your generous donations to Sanborn Gratiot Memorial Home:
